The Honorable William Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

Pacific Architects and Engineers, Inc., are interested in placing themselves in a position where they can bid on Agency construction projects. As you know, they have had considerable experience as USG contractors abroad, particularly during the war in Viet Nam. At this time, they would specifically like to be considered for [REDACTED]

If you could arrange for someone on your staff to let them know how to become a bidder, I would certainly appreciate it. PAE can be contacted at their Washington office (296-2819) or through [REDACTED] who used to be with PAE, but is now handling [REDACTED] Project [REDACTED] can be reached at 333-6600.

Many thanks for your interest in [REDACTED]

Kind personal regards.

Sincerely,

President
